PUP's Volunteers & Donors

If you've had the opportunity to meet Stephanie and Stephen at training (our adopters of one of Ellie's puppies, now Lola Pearl), you know how kind they are. You can feel warmth just being around them. They are firm believers in what we do and how we do it, so they decided they were going to raise awareness and collect donations for PUP. Thank you Stephanie and Stephen for your work on behalf of PUP and for all of the adopters you've brought to us. I am so glad our little puppy caught your attention and you decided to make her part of your family, as that one act has placed even more PUP pups into loving homes.

It was great fun to see Jon's beaming smile when he showed me part of the Wet Noses donation yesterday, and the smiles of those we handed boxes of treats to in order for them to take home to their fosters, for their own dogs, and to share with other organizations that need the help. Karen shared with me the multiple trips Jon made to make sure both Wet Noses and PUP's needs were met. Loved that. Our photo volunteers were so patient with us as we broke open boxes, handing a box out to each of them to hold, their dogs patiently waiting too. You all look great! And thank you!

When receiving donations, it's about how helpful those donations are to our

Jolee's Happy Tail

I adopted Jolee (formerly Jenny) from **PUP** in 2006. She was one of the bigger dogs up for adoption. Prior to adoption she had been abandoned, pregnant. You adopted out her puppies and then socialized her for adoption.

She is now 11 years old and is doing fabulously. She has been a wonderful friend for 10 years. She still enjoys her cat brother, Punk, and prefers life at home; although she occasionally enjoys going out in our RV for long weekends. Thank you again for allowing me to adopt her. Attached is a current photo.

Regards,
Kathy
