Thank You Mud Bay!

A big thank you to the folks at the Broadway and Pike location of [Mud Bay](#) for their continuous support of **PUP**. These remarkable people, who love helping rescue and shelter animals, filled **PUP** Volunteers Rachel and Joel's car with donations. As you can see by their faces, they were very happy to see so much given to **PUP**, and they were just being their regular crazy selves, too!

Thank you Mud Bay! We'll be having our next adoption event at Mud Bay at their Issaquah location on August 27.

Best Wishes and Thank You to Caroline and Brennan!

We received a beautiful note from Caroline, who shared with us that she and Brennan had recently participated in a commitment ceremony. Their dog Jule was also in attendance! **PUP** adoptions are not just limited to Caroline and Brennan in this family, as her parents are **PUP** adopters too. Caroline told us that she thinks **PUP** is a great organization, and as part of her commitment ceremony festivities she asked people to make a donation to **PUP**.

Check out the beautiful picture of Caroline and Brennan and another one of their **PUP** dog Jule.

Congratulations Caroline and Brennan (and Jule too!). Thank you for sharing your story with **PUP**.

Pria's (formerly Clover) Happy Tail

I wanted to let you know how well Pria is doing in her new home and the big life she is leading! She is attending Manners classes and doing very well. She has been to the dog park numerous times and is such a friendly girl to all the other dogs! This past week we spent three days in Salem, OR at a Flyball tournament. This was her first time traveling in our motor home and attending a very noisy

tournament. It took a while for her to get used to the motion of the motor home, but she did great. Flyball tournaments are extremely loud with hundreds of barking dogs, people cheering and judges whistles going off. By Sunday she was a pro at dealing with all the activity.

Today, we hiked almost 5 miles and the dogs had a chance to play in a shallow area of the Green River. Pria had a lot of fun running and exploring in the water. Please pass on this update to foster mom Hayley. The little girl she cared for is doing well and is very loved!

Buttons' Happy Tail

We just want to say thank you for allowing us to adopt Buttons. We love her so much!

One year ago today we adopted/rescued Buttons! She was truly a rescue as she was found on the streets of Stockton, CA!! Poor girl had to fend for herself on the streets.

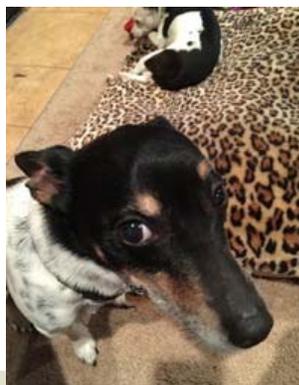

She is incredibly intelligent and sweet and has brought us enormous joy.

Happy Anniversary, Buttons!!!!

Taz and Ms. Tibbles' Happy Tails

We adopted Taz back in March of 2007, when he was only about a year old. Nine years later, Taz is still a wonderfully silly and active pup at the young age of 10 and we've greatly enjoyed having him

All of the pets in this frame are currently available for adoption. Click on one of their adorable pictures to learn more about these pets in need.

around! The photo at the left was

taken right around Christmas last year. He doesn't like having the camera pointed at him and usually turns away when we're trying to get his picture!

Our other PUP dog, Ms. Tibbles, was adopted in 2010 and I can't tell you how absolutely in love I am with that dog! The picture on the right is from a couple years ago while they were enjoying the sun!
