Happy Birthday, Ellie!

November 22nd will be the sixth gotcha day for Ellie (formerly Ashlynn). She's always been a great companion at the office. But just like us, she is learning to make the best of the work from home period that we're in. She's getting to enjoy more walks around the neighborhood, has learned how to follow the sunny spots in the day throughout the house, and keeps watch for squirrels running around outside from the windows.

We love Ellie and are grateful you helped her find us!

Hazel's Gotcha Day!

For Hazel's 3rd birthday, I thought I'd send a quick update. Six months ago, we moved and Hazel now has an acre to patrol and a wading pond. She enjoys chasing the fish and keeping the rabbits and squirrels out of our yard. She is still best buds with my youngest son and he says she is the best dog ever. He plans to take her to college with him (he's only 10 so we have a while to break it to him that she will stay here). Anyway, she continues to be a protective, cuddly, funny and sweet dog. She is very loved.
